ORDER:-

In the reference read above, the Chief Engineer, Krishna Delta System, Vijayawada has stated that the HOD of Water Resources Department, the Engineer-In-Chief (Irrigation) is required to travel extensively though out the State for frequent site visits for effective monitoring of prioritized projects including Polavaram project and projects under 5 SPV's spreading across 13 districts. As such the average distance that would be travelled by the Engineer-In-Chief (Irrigation) would be much higher than the monthly mileage prescribed for hire vehicles. Further it is pertinent to mention here that, the odd timings and frequency of long distance travels will not be possible with the hire vehicle which has prescribed mileage limits and fixed driver timings. He has requested the Government to re-consider the proposal and issue necessary permission for purchase of a new vehicle against provision in sanctioned estimate, considering it as a special case duly relaxing the ban imposed in G.O Rt. No 2259, Finance Department Dt:28-07-2014.

2. Government after careful examination of the proposal, hereby accord permission to the Chief Engineer Krishna Delta System, Vijayawada to purchase a new vehicle with the funds available in APWRDC for the use of the Engineer – In – Chief (Irrigation), Vijayawada, in relaxation of orders issued in G.O Rt. No. 2259, Finance Department, Dated 28-07-2014.

3. The Chief Engineer, Krishna Delta System, Water Resources Department, Vijayawada is requested to take necessary action accordingly.

4. This Order issues with the concurrence of the Finance (WR-I) Department vide their Finance U.O. Note No: FIN01 - FMUOPC (WR-I) / 210 / 2020-FMU-WR-I. Dated; 05-07-2021.
